

ADS-B Technology NextGEN and Light Sport Aircraft

Michael Kussatz from the Garmin Corporation will cover specific details that will come in to play with the new ADS-B equipment requirements and what an owner/operator should expect in the near future.

We will also discuss light sport aircraft.

Directions: Seminar will be in the terminal building conference room at Ardmore Municipal Airport 10 miles northeast of Ardmore, Oklahoma.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
